1. **Email**
   Your university email¹ is the primary way our office communicates with you! Check this regularly to access important information regarding your financial aid or billing information.

2. **RAMweb**
   Check RAMweb² on a regular basis to:
   - Access financial aid eligibility, requirements, and awards
   - View holds or financial aid action items
   - Make payments, view billing statements, enroll in the CSU Payment Plan, or sign up for RAM refund direct deposit
   - Search for student employment opportunities

3. **FAMweb**
   Establish FAMweb³ for parents or trusted individuals to give access to records such as financial aid information, eBilling, or tax information (1098-T).

4. **FAFSA**
   Complete a Free Application for Federal Student Aid (FAFSA)⁴ by the priority deadline of March 1 each year to apply for financial aid or be considered for need-based scholarships. The application is available as early as October 1.

5. **Billing**
   There is one student account billing due date each term. Electronic billing notifications will be sent the month before the bill is due, though payment plan users can pay their bill in installments (see payment schedule⁵) so that payments are spread out over the course of several months as opposed to one month. Billing due dates are as follows:
   - **Fall**: September 10
   - **Spring**: February 10
   - **Summer**: June 10

6. **Refunds**
   The earliest aid may disburse is 10 days before classes start. Many things may impact the timing of your refund⁶. Most commonly delays occur for students who make registration changes or who are enrolled part time. The soonest you could receive a refund would be the Thursday before classes start if you have signed up for direct deposit in RAMweb.

7. **CSUSA**
   The CSU scholarship application⁷ is available in RAMweb from December 1 through March 1 each year. The CSUSA is an online scholarship application for many of the scholarships at CSU. Scholarships are available in all class levels, including merit-based and financial need-based scholarships.

8. **Academics**
   Academic progress may impact financial aid or scholarship eligibility. Please review our satisfactory academic progress policy⁸ to learn more about the financial aid implications of academic progress.

9. **Class Level**
   The Department of Education determines how much loan⁹ you will be eligible for each academic year based on your class level and dependency status.

10. **Credit Requirements for Financial Aid**
    You must be at least half time to receive financial aid, with few exceptions. Most grants and scholarships require full time enrollment. For more information, please reference the Financial Aid Guide¹⁰.
