Loan Discharge and No Physician Certification

Student Name:

CSUID:

We have received the information you submitted on the Free Application for Federal Student Aid (FAFSA). Based on information from the National Student Loan Data System, you previously received loans that were discharged due to total and permanent disability. Under the Federal Direct Loan Program administered by the United States Department of Education, a borrower is entitled to receive additional Federal Direct Loans after a period of total and permanent disability only if a qualified physician can certify the borrower's ability to engage in substantially gainful activity pursuant to CFR 685.200(a)(iv)(A)(1). By not obtaining a physician's certification you are not eligible to receive additional Federal Direct Loans.

If you are eligible to receive Federal Pell Grant funds, the amount you may receive over your lifetime is limited by federal law to be the equivalent of six years of Pell Grant funding. Since the amount of a scheduled Pell Grant award you can receive each award year is equal to 100%, the six-year equivalent is 600%.

By signing this form, I understand that I am not eligible to receive Federal Direct Loans at Colorado State University as I have not obtained a physician's certification and additional funding may be limited.
